Limiting the Cost of Uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will therefore make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers
- School branded items are limited

Other non-branded items such as shirts, blouses, trousers, skirts etc can also be bought more widely from other 'high-street' retailers.

Second Hand Uniform

Good quality pre-worn uniform is available throughout the year at no cost to any parent. The uniform available is displayed in the school's foyer. This is restocked as items become available. Parents are invited to take what they need.

Complaints

For any complaints about our School Uniform Policy please follow the school's Compliments and Complaints Policy which can be found on the school website.
