

Welcome to Preschool

Please send your child in full uniform each day – this ensures their own clothes do not get dirty/stained while we are learning and give a sense of school community

Please send your child with spare clothes, underwear and socks **EVERY DAY** – Preschool can be messy and accidents happen even when they appear to be fully toilet trained!

Session times are **8.45 – 11.40** and **12.30 – 3.25** please try to arrive on time as late arrivals affect our learning time

PE will be on a Wednesday

Welly walks will be on a Friday – children will need wellies on this day, you are welcome to leave some in school

Please bring in a water bottle each day – we do have spares if you forget. We also provide sun hats. Please ensure your child has sun cream applied before arriving in hot weather

Book change day will be on a Thursday – please ensure book bags are in on this day

Please ensure names are written in all uniform, we try to promote independence in Preschool and this will help ensure things don't get lost

We cannot guarantee the safety of any personal toys/blankets brought into school so we politely ask that they are kept at home

In the interest of speech development, please can we ask that all dummies are left at home/at the door with parents

Due to allergies in the room please can we request no food is brought into the classroom from home

Any questions – please ask! 😊
