

The internet and new technologies such as tablets and smartphones have had a great effect on our daily lives and have improved the education of all children, but with the use of these technologies there are some associated risks. At St James C of E Primary School, e-safety is a topic which is revisited throughout each year. Students are given an introduction to understanding the risks associated with the internet and how they stay safe online. This is a brief outline of what we cover each year.

Year 1	E-Safety – introduction to SMART (Childnet) Digiduck E-safety stories
Year 2	
Year 3	
Year 4	
Year 5	
Year 6	

Advice for parents and carers can be found on Think-U-Know website at ParentInfo.org (click the icons).
