

Knowledge Based Organiser

Year 1 Geography (Geographical skills and fieldwork) Our School is Cool!

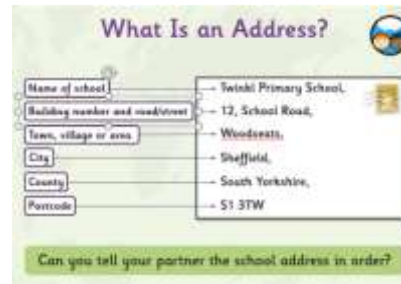

Vocabulary	Word definition
Local area	A place where you belong or live
Aerial photograph	Seeing something from the air or above
Locate	To find the position or place of something/somewhere
Address	The place where you live or a business is located
Aerial plan	A drawing of an area taken from above.
Direction	Information on which way to go.
Compass points	A compass is a tool for finding direction. A simple compass is a magnetic needle mounted on a pivot, or short pin. The needle, which spins freely, always points north.
Map symbols	Symbols show what different things or places can be found in an area
Map	A picture of a particular part of the earth to show where things are.

Questions:

1. What town do we live in?
2. Can you name the four points of the compass?
3. What do these symbols mean?

4. What is the difference between a map and an aerial photograph?

HOMWORK PROJECT:

TASK - Can you draw and label an aerial plan of a room in your house?
 Try to imagine you are a bird flying above the room, what would you see?

You can colour each part in or cut the shapes out of coloured paper

Good luck 😊
