

Knowledge Based Quest

Year 1 - History (A Toy's Story)

Vocabulary	Word definition
Present	It is happening right now.
Past	A passing of time before now (present)
Similar	Having the same or some of the same appearances or features.
Different	Things that don't look the same or are unlike.
Decades	A decade is a period of 10 years.
Artefact	An object usually made by man that can help us to find out about things

Questions:

1. What do the words 'in the past' mean?
2. What do the words 'in the present' mean?
3. What did your Grandparents play with when they were little?
4. What were toys made from a long time ago?

Old and New Toys

HOMEWORK PROJECT:

TASK - Make a picture/model of a toy. It can be a toy you like to play with or your parents liked to play with.

You can use any materials that you want!

Good luck 😊
