

Photo editing - Year Four

Vocabulary	Word Definition
Composition	Positioning and arranging the objects in the frame in such a way that the viewer's eye is automatically drawn to the most interesting or significant area of the capture.
Editing	Changing the way an image looks.
Scenario	A description of possible events, or a description of a play or movie.
Retouching	To rework something in order to improve it.
Copyright	A law that gives the owner of a written document, musical composition, book, picture, or other creative work, the right to decide what other people can do with it. Copyright laws make it easier for authors to make money by selling their work.
